**LOCAL GIRLS AMONG 6000 SCOUTS WHO PARTICIPATED IN SPRING FESTIVAL**

Amidst a riot of color and many honored guests representing several foreign countries, the Los Angeles Council Girl Scouts, 6000 strong, attired in the native costumes of the United Nations, presented their Spring Festival at the Hollywood Baseball Park Saturday afternoon before an audience of 5000 spectators.

Grouped around the outer edge of the ball park were the Girl Scouts from the various districts of the Los Angeles Council, and dressed in the native costume of the country they presented a picture never to be forgotten by the spectators.

The harbor section of which Lomita, Harbor City, Walteria and Torrance are a part, represented Argentina. Made up of 500 girls, they took their place when Argentina was called upon the field, dancing the native steps of the South American country with grace, poise and dressed in the bright costumes significant of the Argentine people.

The program, which had for its slogan, "Citizenship in Action Around The World," concluded with the presentation of an American flag and a scroll to Mrs. Vincent Linn, leader of Girl Scouts in the Philippines, which she will take back to her native

land. To continue their world friendship program the Girl Scouts filed past a collection box to donate toward the ingathering of Juliette Low World Friendship funds.

Busen were chartered for the harbor section Girl Scouts and those participating from this area included Brownies, Intermediate, Juniors and Mariners, as well as the many leaders including Mrs. Irene Ford, who was Festival director for the harbor section and Mrs. Frank Church, harbor section chairman, both of Lomita, and Mrs. Olive Dixon, Girl Scout field director, of Gardena.

Torrance was represented by Mrs. Mark Wright, neighborhood chairman, Scout leaders and assistant leaders and about 73 Girl Scouts.

**Famine Relief Collection Center Set Up**

In response to a telegraphic request from Secretary Henry Wallace the Torrance Lions Club has established a collection center for canned foods of all types to be sent to famine stricken nations. The food collection center will be El Prado Furniture Co., 1220 El Prado. This presents an opportunity to aid in this present extreme emergency, and citizens of the Torrance area will wish to accept this obligation, announced the general chairman, Harry B. Lewis, president of the Torrance Lions Club.

Those unable to spare the time to obtain canned goods and deliver them to the collection center, may send cash donations to the fund and arrangements will be made to purchase the canned goods with this fund.

The general committee appointed by President Lewis consists of F. S. Selover, vice chairman; H. C. Allen, Captain John F. Melanie, Councilman C. Merton Gilbert and Frank Dominguez.

Cash donations should be made payable to the "Torrance Area Famine Relief," 2453-B Torrance Blvd., Phone 946-J.

**Citizenship Vital To Trade In So. America**

Businessmen from the United States who seek to do business in Latin American countries should become citizens of the South American or Central American nation in which they reside, just as the Europeans who came to the United States in the early history of our nation became citizens of the United States. Thus spoke Dr. Osgood Hardy, professor of history at Occidental College, who addressed an inter-city meeting of the Torrance, Redondo Beach and Hermosa Beach Rotary clubs yesterday noon at the Elks Club, Redondo Beach.

Dr. Hardy, who has traveled widely in Latin American countries, uttered a warning concerning the "good neighbor" policy adopted under the administration of former President F. D. Roosevelt. Under this policy, any Central or South American country could decide to become a subject of any European or other world power, and we have agreed not to interfere. In this respect, the "good neighbor" policy differs from the "big stick" policy advocated by former President Theodore Roosevelt, under which the United States was committed to resist any encroachment of powers outside the Americas, Dr. Hardy explained. He was one of the principal speakers at the recent Rotary conference in Los Angeles.

Thirty-three members of the Torrance Rotary club attended the meeting and were introduced by President W. H. Stanger and president-elect (now secretary) Robert T. McCallum.
